- Torrance Hill – MLK Project Photographer*Videographer

And we're standing here
Only because You made a way
You made a way
When our backs were against the wall
And it looked as if it was over
Lord You made a way
And we're standing here
Only because You made a way
And you move mountains
You cause walls to fall
With Your power
You perform miracles
There is nothing that's impossible
And we're standing here
Only because You made a way
